

*Join us on Thursday, April 20, 2006 as
we celebrate Small Business Week and
honor Indiana small businesses*

This celebration is an opportunity for us to acknowledge with pride and gratitude the contributions made by the Indiana small business community to our nation's economic growth and quality of life.

We will also thank the advocates of small business; those individuals and organizations that are constant champions of Indiana small businesses. They mentor small businesses and provide counseling, training, and financing for our entrepreneurs. These champions of small businesses offer guidance and provide the encouragement our entrepreneurs need to achieve their goals.
